

CLASSICS AT CEDAR PARK

Thank you for your interest in **Classics at Cedar Park** in Newark, California. Because you have registered on our Interest List, I want to let you know that the website has just been updated with a list of **Frequently Asked Questions**. You can [click here](#) to access it.

Classics at Cedar Park is an exciting new community of luxurious single-family homes, many designed on one spacious level, and all with private yards. **Classics at Cedar Park** offers substantially more value than Peninsula and Silicon Valley neighborhoods, yet is still just a short drive to major tech centers like Facebook and Google. You are going to love the homes here and it will be worth the wait! We anticipate opening in late summer.

Please check back often to www.cedarparkhomes.com as we will continue to update the website with floor plans, a site map, features list, photos, and more. As your Community Sales Manager, I look forward to working with you at **Classics at Cedar Park**!
