## First 3 Sales in the First Weekend!

Priority buyer tours started this past weekend and we are pleased to announce our first 3 sales. Prices started at around \$1.2 million.

There are still 15 homes available and if you **become a priority buyer by this Friday, May 6**, there's still time to select and buy your home before we open to the public.

To become a priority buyer, just get a preliminary approval from one of our preferred lenders. **Start by [clicking here](#).**
